Dear Mr. Miller:

This review was conducted with Agency interests in mind as far as security and factual aspects were concerned. Final action on the draft would rest most appropriately with other elements of the Executive Branch.

This letter is to notify you that this Agency interposes no specific objections, on security grounds only, to the release of those sections of the report which relate to CIA. This letter does not constitute formal Agency approval of any part of the contents and findings of the report.

Sincerely,
